

2016 Product Lifecycle Announcements (U2 Product Lines)

Product Lifecycle (PLC) Announcements – September 16, 2016

The following product lifecycle changes will take place as noted below. All products have newer versions available. See the Product Lifecycle Categories section below for the meaning of each product lifecycle category.

Effective September 16, 2016 the following product versions will progress in their lifecycle status (as defined below). Products progressing to EOL have had a one-year grace period before the change becomes effective.

System Builder Product Lines (SB+, SB Client, SB/XA)

Versions	Year Introduced	PLC Status Change	PLC Change Date
SB+ 5.5.0	2010	EOS	16-Sep-2016

SB/XA 6.1.0 - 6.1.4	2011	EOS	15-Sep-2017
SB/XA 6.2.0 - 6.2.6	2013	EOS	15-Sep-2017

U2 Web DE

Versions	Year Introduced	PLC Status Change	PLC Change Date
3.5.4 – 4.3.0	2001	EOL	16-Sep-2016
4.4.0 – 4.4.2	2007	EOL	16-Sep-2017
4.4.3	2010	EOS	15-Sep-2017
5.0 – 5.0.3	2010	EOL	16-Sep-2016
5.1.0 - 5.1.2	2013	EOM	16-Sep-2016

w/Integrate

Versions	Year Introduced	PLC Status Change	PLC Change Date
6.2.0 – 6.2.2	2010	EOS	16-Sep-2016

UniData

Versions	Year Introduced	PLC Status Change	PLC Change Date
5.1.0 – 6.1.19	2000	EOL	16-Sep-2017
7.1.0 – 7.2.5	2005	EOL	16-Sep-2017
7.2.6 – 7.2.13	2010	EOS	16-Sep-2016
7.3.0 - 7.3.7	2012	EOM	16-Sep-2016

UniVerse

Versions	Year Introduced	PLC Status Change	PLC Change Date
7.3.2 – 9.1.7*	2001	EOL	16-Sep-2016
9.3.1 – 10.0.22	2001	EOL	16-Sep-2016
10.1.0 – 10.3.5	2003	EOL	16-Sep-2017
10.3.6 – 10.3.13	2010	EOS	16-Sep-2016
11.1.1 - 11.1.15	2011	EOM	16-Sep-2016

U2 Toolkit for .NET

Versions	Year Introduced	PLC Status Change	PLC Change Date
1.1.0 – 1.2.1	2012	EOL	16-Sep-2016
1.3.0 – 2.1.0	2013	EOS	16-Sep-2016

U2.NET (please use U2 Toolkit for .NET)

Versions	Year Introduced	PLC Status Change	PLC Change Date
Runtime (all)	2008	EOL	16-Sep-2016
Developer (all)	2008	EOL	16-Sep-2016

Product Lifecycle Categories

End of Marketing (EOM)

Rocket Software is no longer actively marketing the product version to customers. Existing customers can acquire new or additional user licenses and maintenance on this version. Downloadable content may no longer be available. Maintenance remains available for this version. Customers on maintenance may call for assistance, access the online knowledge base and obtain product upgrades if newer versions are available.

End of Service (EOS)

Technical support no longer maintains old platform versions or product versions for problem reproduction. Licenses and maintenance remain available. Downloadable content is not available. Customers on maintenance may call for assistance, access the online knowledge base and obtain product upgrades if newer versions are available.

End of Life (EOL)

The product version has been withdrawn from sales. New or additional licenses are no longer available. Downloadable content is not available. Maintenance remains available. Customers on maintenance may call for assistance, access the online knowledge base and obtain product upgrades if newer versions are available.
